Zoning Overview

Zoning: HC - Highway Commercial

§ 209-23. HC Highway Commercial District.

A. Purpose. The purpose and intent of this district is to provide reasonable standards for the orderly development of highway-oriented business and commercial uses, to provide for the development of those businesses which, due to the nature of their activity, must be located with adequate street frontages along major roads, and to have a service radius generally wider than the immediate neighborhood. The provisions are designed to curtail further evolution of strip commercial growth.

B. Principal permitted uses.

- (1) Convenience shop, including grocery store, drugstore, gift shop, hardware store, and clothing store.
- (2) Automatic self-service laundry, baked goods store, confectionary store, shoe repair and dry-cleaning store, or laundry where laundering and dry cleaning are performed on the premises.
- (3) Office building and professional office, including medical, dental, realty, insurance, law offices, accounting services and governmental services.
- (4) Barber shop and beauty shop.
- (5) Library.
- (6) Day-care center.

- (9) Bank, including accessory drive-through facility.
- (10) Theater.
- (11) Newspaper publishing or printing establishment.
- (12) Hospital.
- (13) Retail sale of furniture, furnishings and appliances.
- (14) Showrooms for the sale of new and used automobiles by authorized factory dealers with accessory uses of outdoor automobile sales and service repair building when conducted on the same lot.
- (15) Fitness center, gymnasium.
- (16) Nursing home or convalescent home.
- (17) Assisted living facility.
- (18) Sober living environment, provided that the minimum off-street parking

required in § 209-42 is provided..

- (19) Rooming house or boarding house.
- (20) Brewery, microbrewery, micro-winery, distillery, brew pub.
- (6) Medical marijuana dispensary, subject to the specific criteria listed below.
 - (a) A medical marijuana dispensary shall provide proof of registration with the Department of Health or proof that registration has been sought and is pending approval, and shall at all times maintain a valid, accurate, and up-to-date registration with the Department of Health. Should registration be denied or revoked at any time, any Township approval shall immediately become void. A medical marijuana dispensary may not operate on the same site as a facility used for growing and processing medical marijuana.
 - (b) A medical marijuana dispensary shall at all times operate in compliance with all Department of Health regulations pertaining to such facilities.
 - (c) A medical marijuana dispensary shall not be operated or maintained on a parcel within 1,000 feet, measured by a straight line in all directions, without regard to intervening structures or object, from the nearest point on the property line of a residentially zoned property or a parcel containing a public, private or parochial school, day-care center, place of worship, public park, or community center.
 - (d) A medical marijuana dispensary must operate entirely within an indoor, enclosed, and secure facility. No exterior sales and no sidewalk displays shall be permitted. No drive-thru services shall be permitted. The use cannot be advertised on radio or television.
 - (e) A medical marijuana dispensary shall be limited to the hours of operation not earlier than 9:00 a.m. and not later than 9:00 p.m.
 - (f) A medical marijuana dispensary shall submit a disposal plan to be reviewed and approved by the Township. Medical marijuana remnants and by-products shall be disposed of according to an approved plan and shall not be placed within an exterior refuse container.
 - (g) There shall be no emission of dust, fumes, vapors or odors which can be seen, smelled or otherwise perceived from beyond the lot line for the property where the medical marijuana dispensary is located.
 - (h) No one under the age of 18 shall be permitted in a medical marijuana dispensary, unless accompanied by a caregiver as required under Section 506 of the Medical Marijuana Act.¹
 - (i) No use of medical marijuana shall be permitted on the premises of a medical marijuana dispensary.

(9) Outdoor dining, when accessory to a permitted bar, restaurant, club or lounge.
[Added 8-16-2021 by Ord. No. 2021-12]

F. Maximum building and structure height. No building and/or structure shall exceed 50 feet in height, except as may be specifically permitted by the terms of this chapter.

G. Area and yard requirements. See Table 4.⁵

H. General requirements.

(1) Any principal building may contain more than one principal permitted use and/or organization. Any lot may contain more than one permitted building, provided that each principal building is located in a manner which will allow the possibility of subdividing the lot in a manner that each structure and resulting lot would conform to the zoning and subdivision and land development regulations, including frontage on a public street. One building may contain more than one use, provided that the total building coverage of the combined use does not exceed the maximum building coverage specified for this district and, further, that each use and/or tenant occupies a minimum gross floor area of 750 square feet.

(2) At least the first 30 feet adjacent to any street line and 10 feet adjacent to any lot line shall not be used for parking and shall be planted and maintained in a lawn area, ground cover or landscaped with evergreen shrubbery and separated from the parking area by approved permanent curbing, except as otherwise provided under this chapter.

(3) Outside displays.

(a) No merchandise, products, equipment or similar materials or objects shall be displayed or stored outside except in those instances where the peculiar nature of the business in permitted use, use by special exception or by conditional use normally requires outside display. This exception would include:

[1] Garden centers engaged in sale of living plants.

[2] Automobile sales.

[3] Automobile service stations.

[4] Manufactured home sales.

[5] Building materials.

(b) Outside displays must conform to and not infringe upon setback areas, buffer areas and planting areas.

(4) All improved portions of the property not utilized by buildings or paved surfaces shall be landscaped, using combinations such as landscaped fencing, shrubbery, lawn area, ground cover, rock formations, contours, existing foliage and the planting of conifers and/or deciduous trees common to the area, in order

to maintain or reestablish the tone of vegetation in the area and lessen the visual impact of the structures and paved areas. The established grades on any site shall be planted for both aesthetic and drainage purposes. The grading plan, drainage facilities and landscaping shall be coordinated to prevent erosion and silting as well as assuring the capacity of any natural or man-made drainage system. The drainage system shall comply with the Township Stormwater Management Ordinance.⁶

(5) Waste for disposal shall be stored in a closed container which should be adequately screened from all streets and adjacent residential areas and should be of sufficient capacity so that overflow does not occur.

(6) All building walls facing any street or residential district shall be suitably finished for aesthetic purposes.

I. Minimum off-street parking.

(1) Minimum off-street parking shall be as required in **§ 209-42**.

(2) The Zoning Hearing Board may grant a special exception to reduce the combined parking requirements for uses on adjacent parcels held in single and separate ownership on the effective date of this chapter by a maximum of 15%, subject to the following regulations:

(a) The adjacent uses must be compatible, and none shall be residential, industrial or any other use not conforming to the requirements of this district.

(b) The parking lot shall be designed in such a manner as to conform to the requirements in Subsection H, with the exception that the parking shall be unified and allow for free movement of traffic between and among adjacent uses and parcels.

(c) No more than two driveway access points to public roads shall be provided.

(d) The plan shall be reviewed and receive favorable recommendation from the Falls Township Planning Commission.

(e) All deteriorating signs within the parking area and within 50 feet of all street right-of-way shall be removed, altered or replaced to conform to this chapter.

(f) Curbing and additional street paving shall be constructed in accordance with Township and state regulations, where applicable, along the road frontages of all properties involved.

J. Minimum off-street loading shall be as provided in **§ 209-42**.
